**BioXrem** 

## Safety Data Sheet

| Section 1: Identification   |   |
|-----------------------------|---|
| Product Name:               | BioxRem   |
| Product Description:        | Non-toxic, naturally occurring, non-pathogenic, aerobic microbes in a water-based medium                                  |
| Company:                    | Bioxgreen Technology Pvt. Ltd,<br>Ghatala Tower, 3 <sup>rd</sup> Floor, 19, Avenue Road, Nungambakkam,<br>Chennai-600 034 |
| Recommended Use:            | Waste Water bioremediation (environmental applications)   |
| Restricted Use:             | Not for human consumption.  |
| Telephone Number:           | +91-44-79683723   |
| Emergency Telephone Number: | +91-44-79683723   |

| Section 2: Hazard(s) Identification |   |  |
|-------------------------------------|---|--|
| Emergency Overview                  | This product contains no substances which at their given concentration considered to be hazardous to human, animals or the environment. |  |
| Hazard Classification:              | Not considered as a hazardous substance or mixture.   |  |
| Signal Word:                        | None  |  |
| Hazard Statement(s):                | Direct contact with skin or eyes may cause mild irritation in some individuals. Ingestion of large quantities may cause nausea.         |  |
| Precautionary Statement(s):         | Not for human consumption. Avoid contact with eyes and skin.  |  |
|                                     | Wear protective gloves and eye protection   |  |

| Section 3: Composition/Information on Ingredients |         |             |
|---|---------|-------------|
| Common Name(s)                                    | CAS NO. | % by Weight |
| Microbial consortium in water<br>(GRAS Category)  | N/A     | 100         |

| Section 4: First-Aid Measures |  |
|-------------------------------|--|
| Routes of Exposure            |  |
| Inhalation                    | Get medical attention if allergic symptoms develop.                  |
| Eye Contact                   | Flush eyes with plenty of water for at least 15 minutes. Get medical |
|                               | attention if irritation occurs.                                      |
| Skin Contact                  | Wash skin with plenty of water and soap                              |
| Ingestion                     | Thoroughly rinse mouth with water. Do not induce vomiting unless     |
|                               | directed to do so by medical personnel. Get immediate medical        |
|                               | attention.   |

| Section 5: Fire-Fighting Measures |                         |
|-----------------------------------|-------------------------|
| Extinguishing Media:              | CO2, foam, dry chemical |
| Special Fire Fighting Procedures: | None                    |
| Fire Hazard(s):                   | None                    |

| Section 6: Accidental Release Measures |   |  |
|--|---|--|
| Personal Precautions:                  | Avoid contact with skin or eyes and wear suitable protective  |  |
|  | clothing  |  |
| Emergency Procedures:                  | N/A   |  |
| Cleanup Procedures:                    | Spread compatible granular absorbent over spill area and sweep<br>using broom and pan; dispose in appropriate receptacle. Clean area<br>with water. |  |
| Section 6 Note:                        | Refer to section 8 for personal protection and section 13 for disposal consideration.   |  |

| Section 7: Handling and Storage |  |
|---------------------------------|--|
| Handling:                       | Use handling procedures that minimize exposure to the product.   |
| Storage:                        | Store in cool, dry location out of direct sunlight. Storage above 40°C (104°F) for extended periods is not recommended. Once opened, keep in an airtight container to maintain the integrity of the product. |
| Waste disposal method:          | Follow all state, and local regulations.   |

| Section 8: Exposure Controls/Personal Protection |   |  |
|--|---|--|
| Personal Protective Measures                     |   |  |
| Respiratory Protection:                          | Use a dust/mist filtering face mask.                    |  |
| Hand Protection:                                 | Protective gloves are recommended.                      |  |
| Eye Protection:                                  | Recommended. An eyewash station in the work area is     |  |
|  | recommended.  |  |
| Engineering Measures:                            | Local exhaust ventilation if aerosols are generated.    |  |
| Hygiene Measures:                                | Wash promptly with soap & water following skin contact. |  |
| Other Protection:                                | Wear appropriate clothing to prevent skin contact       |  |

| Section 9: Physical and          | Chemical Properties  |                               |          |
|----------------------------------|--|-------------------------------|----------|
| Appearance:                      | Granular powder; Off-<br>white to Pale Yellow in<br>colour | Explosive Limits:             | N/A      |
| Odor:                            | Musty  | Vapor Pressure:               | 24 mm Hg |
| Odor Threshold:                  | N/A  | Vapor Density:                | N/A      |
| pH:                              | 6.0-8.0  | Relative Density:             | 0.9-1.1  |
| Melting Point/Freezing<br>Point: | 0°C  | Solubility:                   | Soluble  |
| Boiling Point:                   | 100°C  | Partition coefficient:        | N/A      |
| Flash Point:                     | N/A  | Auto-ignition<br>Temperature: | N/A      |
| Evaporation Rate:                | N/A  | Decomposition<br>Temperature: | N/A      |
| Flammability (solid, gas):       | N/A  | Viscosity:                    | N/A      |

## bioxgreen

## **BioXrem**

| Section 10: Stability and Reactivity |   |  |
|--------------------------------------|---|--|
| Stability:                           | Stable under recommended storage temperature                        |  |
| Incompatibility:                     | Avoid contact with strong acids.                                    |  |
| Hazardous Decomposition              | None  |  |
| Products:                            |   |  |
| Hazardous                            | None  |  |
| Reactions/Polymerization:            |   |  |
| Conditions to Avoid:                 | Storage above 40°C (104°F) for extended periods is not recommended. |  |

| Section 11: Toxicological Information |  |  |
|---------------------------------------|--|--|
| Routes of Exposure:                   | Ingestion, Eye Contact   |  |
| Signs and Symptoms of                 | Ingestion of large quantities may result in abdominal discomfort |  |
| Exposure:                             | including nausea, vomiting, cramps, diarrhoea, and fever.        |  |
|                                       | Skin may become irritated upon prolonged contact. May cause eye  |  |
|                                       | irritation unless immediately rinsed.                            |  |

| Section 12: Ecological Information (non-mandatory) |  |
|--|--|
| Ecotoxicity:                                       | This material will degrade in the environment.   |
| Ecological Information:                            | With regard to environmental fate and behaviour this product is<br>not expected to impose any environmental risk in normal usage<br>quantities |

| Section 13: Disposal Considerations (non-mandatory) |  |
|---|--|
| Waste Disposal Methods:                             | Dispose of according to Federal and local regulations for non- |
|   | hazardous waste. Recycle, if practical.                        |

Section 14: Transport Information (non-mandatory) The product is not covered by international regulation on the transport of dangerous goods. No transport warning required.

Section 15: Regulatory Information (non-mandatory)

N/A

| Section 16: Other Information  |                   |  |
|--|-------------------|--|
| Date of Preparation:   | 14 September 2023 |  |
| Last Modified Date:  | N/A               |  |
